

HINTON'S

Restaurant, Café & Tasting room

A special venue for your special day...

Ceremony

Hinton's is a wonderful wedding venue with several beautiful settings available for your ceremony. The avenue of cherry blossoms is unsurpassed in spring, and the light filtering delicately through the leaves makes for a charming isle throughout summer. There are also many other delightful garden locations we are able to offer you. The grapevines create a unique feel, or even inside the restaurant or tasting room for something a little cosier.

Reception

After your ceremony you may choose to relax and enjoy drinks and canapés among the grapevines, on the verandah or in the Central Otago courtyard.

We have two venues available for wedding receptions;

The restaurant has been carefully restored and converted from an original homestead. Wooden floors, wooden panelling and soft colourings create a beautiful setting inside and the verandah that wraps around the outside offers an additional space in which to celebrate. The restaurant is available for late afternoon and evening receptions.

Our tasting room opens on to a Central-Otago courtyard, with a lovely warm feel, beautiful art and visions of Central Otago's stunning landscape. The tasting room is available exclusively for private use and can be booked any time of day or night.

Into the evening

With the ceremony and speeches happily behind you, it is time to relax and enjoy the last few hours of your big day. Provide your own music for our sound system or book a DJ or band – we are licensed through until 11pm, and by prior arrangement can extend this until 1am.

The minimum number of people required for any reception is 30.
